LUKAS CRYL STUDIO

Fine Artists' Acrylic Colour

With LUKAS CRYL STUDIO fine artists' acrylic colour we offer a colour that is incomparable in its price-performance ratio. This acrylic colour was developed based on the newest knowledge of the pigment and binding agent research. Only high quality artists' pigments in a high-elastic acrylate are used.

It consists of a well-balanced spectrum up to 60 colour shades, which are available in 75 ml tubes, 250 ml and 500 ml plastic bottles with dosing-cap or in 2 l and 5 l plastic buckets. For detailed information about the available sizes see colour card on page 35 and the according symbols.
